Zulu Nyala South Africa Photo Safari for 2 Frequently Asked Questions & General Information for the winning bidder

Congratulations!

You have acquired a truly once in a lifetime fabulous vacation in South Africa that includes 6 days and 6 nights lodging, all meals, and 2 Game Viewing drives daily in open land cruisers on Zulu Nyala Reserve.

Q: How do I Book my Trip?

Unlike most auction trips - the expiration is not until 2 years from the date of purchase.

The first thing you need to do is to contact the Zulu Nyala Photo Safari office located in South Africa directly to book your Safari and accommodations. They will book your 6-day/6-night Safari package.

You can contact them via email: reshmimi@zulunya.com or phone: 011 27 35 562 0177 Please ask for the Photo Safari Office. Or FAX 011 27-35-562-0975. For prompt response, please contact Reshmi at Reshmi@zulunyala.com

Very Important: FIRST book and confirm your Safari and Zulu Nyala accommodations with Photo Safari Office plus any additional optional tours and excursions, ONLY THEN you should book your international and local flights.

NOTE: Your Safari will not be confirmed UNTIL the nonprofit organization has completed and sent in their auction paperwork and requirements to Zulu Nyala.

As stated in all materials, the airfare booking is the personal choice and responsibility of purchaser.

Q: How can I book extra day trips, tours and excursions?

Zulu Nyala is a registered tour operator - a one-stop-shop for your southern Africa land only tours. Reshmi (Reshmi@zulunyala.com) can arrange all your land accommodations for you at competitive rates to suit your budget. For example, land tours in Cape Town, Victoria Falls or Botswana, Zambia, Zimbabwe and Namibia. As most people would like to extend their stay in South Africa, Reshmi, who had been a travel agent for over ten years and is a resident at Zulu Nyala will gladly assist you should you wish to extend your stay in southern Africa. When you contact Reshmi with your air arrangements and book your Safari and accommodations, upon request she will provide you a complete listing of additional optional excursions and tours.

An extra you may wish to consider experiencing is one of the fabulous specialty day trips. You will be staying the Zulu Nyala private game reserve that is closely approximated in a diverse area close to variety of other adventures. Special day trips are handled by the Zulu Nyala guides and all have an additional fee associated. When you email, ask for this information. After all, you may only see Africa once and you'll want to see as much as you can. These trips are optional and do not have to be booked until you are Zulu Nyala.

Q: How would I get there?

FIRST OPTION: You take a flight to Johannesburg, South Africa to O.R. Tambo International Airport (JNB). As this is a lengthy flight, may we suggest that you consider staying that night at Zulu Nyala Country Manor Johannesburg where you will be able to rest up. You will be personally met at the airport by a Zulu Nyala representative and then driven to Country Manor. Country Manor has beautifully appointed rooms set in 13 acres of landscaped gardens, where you will see zebra, springbok and blesbok on the property. As a further suggestion, you may wish to take the opportunity to stay an extra day, where you could visit the Lion Park, where you can cuddle lion cubs and feed a giraffe by hand. You could also visit Nelson Mandela's home and the famous Apartheid Museum to take in the cultural history of South Africa. This would be an enriching experience on both counts. Then, rested and refreshed, the next day you would fly from Lanseria Airport HLA (only 10 minutes from the Country Manor) to King Shaka International Airport DUR in Durban where a driver will transport your party to Zulu Nyala, Hluhluwe or you can rent a car. Staying at Country Manor and all transports from the airports and to Zulu Nyala in Hluhluwe are additional costs to you. Please contact Reshmi for these rates and all other tour rates.

Staying at Country Manor is a convenient and rewarding experience to consider. In 2010 a new airport opened north of Durban, King Shaka international Airport DUR, they offer flights from Lanseria International Airport HLA, 2.5 miles from Zulu Nyala Country Manor just outside of Johannesburg. SAA/Mango www.flymango.co.za , Kulula/British Airways www.kulula.com and www.1time.co.za are the airlines that fly round trip from of Lanseria to King Shaka airports.

Q: How do I book my flight?

NOTE: As stated in all materials the airfare booking is the personal choice and responsibility of purchaser.

For your international flights: Delta Airlines flies out of Atlanta or South African Airways flies out of JFK New York or Dulles, Washington, D.C.

For your flights within South Africa: SAA/Mango or Kulula Airlines/British. On arrival you have the option to rent car or we can make transfer arrangements for an additional cost.

Q: How much does the flight cost to South Africa?

Generally, flights cost between \$1500 and \$2000. They tend to vary based on the time of year and how far ahead of the trip they are booked. However, there are several websites on the Internet that offer plane tickets at a reduced price, so it is possible to fly there for less.

Q: When should I book my Safari?

Most people book their reservations at least 3-6 months or more in advance and popular times to visit are May thru November. September, October and November are the busiest seasons so plan accordingly.

Q: When is the best time of the year to visit Africa?

Hluhluwe has a sub-tropical climate with mild winters and hot summers. The summer temperatures are usually between 82 and 90s with December to February being the hottest months where temperature can reach above 90s. The winters are never cold and temperatures are rarely below 70s during the day and 0s at night. It is advisable to take a warm jacket for game drives as the early morning and evenings in an open vehicle can be chilly. Africa's winter months, which are from May to Aug , are the most appealing time to visit for several reasons. First, the temperature is comfortable. It tends to be in the 70s during the day, and in the 40s at night. Also, there is less foliage and the trees are bare. This means that the animals are active and can easily be observed.

Summer Season – September to April Winter Season – May to Aug
Temperature – 90-60F Temperature – 32-70 F
You can check the weather forecast on www.weathersa.co.za , Kwazulu Natal,
