

ATTENTION WEST VALLEY RESIDENTS!

Are You Feeding A Stray Cat?
Want To Help Cats In Your Community?

INTRODUCING THE WEST VALLEY/FERAL FIX PROJECT

March 2004 marks the start of a special pilot program brought to you by No More Homeless Pets in Utah and West Valley City Animal Services. The program is designed to humanely reduce stray cat populations in your city by promoting Trap, Neuter, Return (TNR).

TNR is a comprehensive management plan where healthy feral (un-owned, free-roaming) cats are trapped in humane cat traps, sterilized and vaccinated, returned to their habitat and provided with long-term care (Courtesy of Alley Cat Allies)
