DESERET NEWS.

SATURDAY, AUG. 21, 1852.

To the Sainfs.

and excuse for every little neglect, misdemeanor, partment fully warrant a reduction to, at most, one mistake, or hap-accident, (if there be such a thing) third of the present scale. that with many it has become a bye law, as well as The weather during the past fortnight has bye word. Not more than three days ago, a poor been a shade cooler, in general, less rain, than the widow called on us in great trouble, she had been month previous. obliged to burn her fence to wash and cook be- By advertisements, we infe that there will cause she could set no wood, and her garden was be no lack of a variety of Gouds in our market, in liable to be destroyed for want of the fence, and a few days- See advertisements, for those on hand. Sinke fence was buraed, and she did not know what to We received the celebration of the 24th of she was no nearer getting any wood than before the

bay a load of wood we would send it to her, but in snow that the same spirit prevaled at Froto, as at the mean time as she didn't think, we begun to other places on that occasion. Under the direction of the committee of arrangements one hundr'd and fifty of the citizens partook of a sumptuous dinner, the products of the valley, at the house of Mr. John Loveles; followed by the raising of the Flag, (moto pull up a bundle of the large weeds and sunflowers, "Utah's on Hand"); address by Isaac Higbee, prayers and let them dry a few days and she would have dance and firing of cannot; marched in procession plenty of wood for this warm weather.

O! says she, "I burned up great plies of weeds in party were enjoying the coulion. my garden yesterday, for bon-fires." But why did my garden yesterday, for our level of the set washing you not burn them to do your cooking and washing and save your garden fence? She rplied, "I didn't blessed. Isaac Higser. days, as do a great portion of the inhabi ants of never fade from their check, nor a fatiow be plowed England, with little or no fuel except the small, dry on their brow by age, till the youngest son of Proro twigs, torn by the wind from the hedges and forest, becomes a father. you would have "thought" your chance at your ons, interspersed their dance with songs from Ladies

her weeds for fuel, we hope no one who has the opportunity to carry such a load of wood, will neglect their duty, for the same reason, because they "didn't think:" and if all will think, and burn the thousand cords of sunflowers and weeds that flood our city this fruitful season, for culinary purposes, it will save many a cord of wood which will do the more good the approaching winter; and also save tons of seeds which otherwise may drop from those weeds and take root in the soil years to come; but fail not to give the pigs a few of the smaller ones, because you "couldn't think." Save all your weed seed if ing; Anna Goodrich and 2 children; Mr. A. a. Fille-ming; Anna Goodrich and 2 children; Mt. D.a.; B char

thousands, and the brethren begin to sell them flour at 5, 6, 8, and 10 cents per pound; and the saints enquire of them why they cannot offer them flour for 2 1-2 or 3 cents per lb. as they did the California Emigrants, will they give the popular bye word "I didn't think," as a countersign to the privilege of making their brethren pay a good round price, while they let the traveler pass, almost free, tor the same article? What was the reason why a camp of the saints, last week, did not partake of one of a large load of melons, that was drove in their midst, by a brother from the country? Was It because they "didn't think?" they had any money? Why was it children; James, Geo. Gilbert, wife and 4 caldners, John L isuman, wife and 3 calderen; Rabt. Waison, wife and 4 children; Geo. Thompson; Annabelta McFarlane, and 3 calder ind 3 daughters; John Carmichal and son; Masion Edmond, w.f. and 2 children; Suah Staples and 4 children; Margatet Mostard and daughter; John Frances Platt, wife and 1 chili; Wu. Goats, wife and 3 children; James Riley, wife and 2 children; David brother from the country? Was it because they and 3 children; Win. Wolstenholmer wife and 3 "didn't think" they had any money? Why was it chatten; James Riley, wife and 2 children; James Riley, wife and 2 children; David Walker, whe and 2 children; Win. Trapp and wife; that the brother drove on with every one of his mel-ons, while the eyes, lips, and teeth of men women and children, were watering for a taste? Was it be-cause he "didn't think" that his Father had caused those melons to grow that he might feed the more interval. those melons to grow that he might feed the poort right; Isaac Lowe; Einma Jack ; Jine Autre; Newark, Conne ticut. If so, may be he "didn't think" that his Father, John Wanright seu; Daniel Thom whe June NOTIC's I. another season, might not "think" to spread his gar. Edward Suno ; Sautel Evans, wite and 2 card

and as ye would be done unto, so do; but while wile and 5 children; James Wued we "think" we have just commenced our subject; By a letter fr m brothen A. O Smoot, dated 45 we "think" our paper is full, and we must "think" miles above Fort Kearny July 700, 1852, we learn to stop.

Coal ! COAL !! COAL !! - Where is that coal advancing westward. Previous to the above date mine that the brethren were to open as soon as the ten of the company had died of Cholera, inflamation snow left, last spring? Have those hrethren done Meazles & ..., and one drowned, (name not reported.) as they agreed? We have no report of their doings. Their teams were in prime order, and we may sately

Returns of county and Prevince, theses for Iron and Utah counties were received too late for this paper: also letter from John D. Lee, Aug. 7. Pe The last report of the Post Master General, "I didn't think," is such a common observation clearly establishes the fact, that the profits of the de-Ju Fe םטנח.
