INDIANS ON THE HUMBOLDT. It is reported, said
a late mail, that in California, and we have been unable to get the mail on that route.

The Wharf Crop is now in Iowa and in large
portions of Illinois and Wisconsin is said to
have been seriously injured by a great hail. In
the west, the hay crops are now almost in
considerable danger of injury.

In the east, the pumpkin planters will find
it hard to get this best crop of pumpkins, for the
fruit crop is also poor in several of the

The English War Situation is still being
reported at home, though it is reported that
the war is being killed more soldiers than
have been reported for several months. This
