These are levied to the extent they are not exempt as explained on the back of Part 5 of this form.

If you decide to pay the amount you owe now, please <u>bring</u> a guaranteed payment (cash, cashier's check, certified check, or money order) to the nearest IRS office with this form, so we can tell the person who received this levy not to send us your money. If you mail your payment instead of bringing it to us, we may not have time to stop the person who received this levy from sending us your money.

Instructions to Taxpayer

A levy was served on the person named on the front of this form. The information you provide on this form will be used by that person to figure the amount of your income that is exempt from levy.

Please complete Parts 3, 4, and 5. First, indicate your filing status by checking one of the five blocks on the statement of Exemptions and Filing Status. Then, list each person that you can claim as an exemption on your income tax return not claimed on another Notice of Levy on Wages, Salary, and Other Income. Include each person's relationship to you and Social Security Number. If the person is less than six months old and does not have a number yet, write "Less than six months old" in the Social Security Number column. If you are claimed as a dependent by someone else, write "I can't claim an exemption for myself" next to your signature on the statement. Be sure to complete, sign, and date all copies of the statement.

The amount of your income that is exempt from this levy each week is figured by adding the standard deduction you can claim on your income tax return and the amount you can claim on it for exemptions. Then, this total is divided by 52.

If you or your spouse is at least 65 years old and/or blind, you can claim the additional standard deduction which increases the amount exempt from this levy. Count one for each of the following:(a) you are 65 or older, (b) you are blind, (c) your spouse is 65 or older, and (d) your spouse is blind. Enter this total (up to 4) to the right of "ADDITIONAL STANDARD DEDUCTION" on Parts 3, 4, and 5.

Also, if you are required by a court or administrative order (made before the date of

this levy) to support your minor children, then the amount needed to pay the support established by a court or administrative order is also exempt from the levy, and these minor children can't be listed as exemptions.

Keep Parts 2 and 5 for your records. Give Parts 3 and 4 to your employer within 3 work days after you receive them. If you don't give the completed statement to your employer, then your exempt amount will be figured as if your filing status is married filing separate with only one exemption, plus the amount for paying child support established by a court or administrative order. If you subsequently give a Statement of Exemptions and Filing Status to your employer, your exempt amount will be adjusted to correspond to your statement.

If the number of your exemptions or your filing status changes while this levy is in effect, please file another Statement of Exemptions and Filing Status with the person on whom this levy was served. You can get more forms from an Internal Revenue Service office.

In addition, if this levy is still in effect next year and if the standard deduction and amount deductible for personal exemptions change in the new year for all taxpayers, you may file a new Statement of Exemptions and Filing Status, even though there may be no change from the prior statement. Filing a new Statement of Exemptions and Filing Status will allow your employer to use the new year's exemption table (Publication 1494).

The information you provide is submitted under penalties of perjury and may be verified by the Internal Revenue Service.
