Defendant/Respondent

**Garnishee's Answers to Interrogatories  
for Earnings**

Case Number: 106931960

Judge: GLENN K IWASAKI

If you are an employer who is garnishing earnings, the court has prepared an interactive worksheet that will calculate the amount to be withheld and prepare the Answers to Interrogatories form ready for filing. To use the worksheet, go to the Utah courts' website at <https://www.utcourts.gov>. The link to "Employer's Answers to Garnishment Interrogatories" is on the bottom of the right column. Note your session number. You may return to it and edit it for up to 180 days, making a continuing garnishment easier.

(1) Do you employ the judgment debtor?

ANSWER: ☒ Yes (continue to other questions) ☐ No (skip to end, sign this form and mail)

(2) Are there other Writs of Continuing Garnishment in effect?

ANSWER: ☐ No ☒ Yes... (If yes, when will they expire) ANSWER: Ongoing child support

(3)(a) What is the judgment debtor's pay period?

ANSWER: ☐ Weekly ☒ Biweekly ☐ Semi-monthly ☐ Monthly

\_\_\_ Other (Describe): \_\_\_\_\_

(3)(b) What is the pay period to which these answers relate?

ANSWER: Start Date: 02/27/12 End Date: 03/11/12

\* The Writ served on you with this form is effective for 120 days after the date of service or for 120 days after the date a previous writ expires, whichever is later. If those 120 days end before the end date of the pay period, you are not required to withhold money from the debtor. Skip the remaining questions, sign this form, and mail it as indicated. Otherwise calculate the amount to be withheld.

(4) Calculate the amount to be withheld from the judgment debtor (Assume you are calculating this on the last day of the pay period for which these answers apply.)

|                                                                                                                                                                                                                                                                                                                                                  |           |             |
