Please give a service failure to Nic Tanner for 08/17/15. He turned in paperwork for 306551 (Home Express 1447316) and put it on his crew's trip sheet as though they completed the job when in fact his crew did not even attempt it. They were paid for it on payroll 08/28/15 despite not having done the job because of this. That pay will be deducted from their next paychecks (09/11/15).

Thank you
