Okay... Please let me know when something like this occurs in the future. Because I didn't know, Kenny got paid for delivering all of the cabinets on 10/12 last payroll.

Thank you,

Kenny took 7 cabs and Al took 5.

What's up with this MB order? It looks like Kenny Smith only delivered some on 10/12 and then Al Tau delivered the rest? How many cabinets did each driver deliver?

Thank you,
