Subject: Swanagan Service Failure

Ethan Swanagan has not turned in his logs for 3 months, I am waiting for logs going back to August 20th. Back on 7/30 I asked Brandt to talk with him because he was missing logs for 4 weeks. He turned in those 4 weeks and another 2 weeks and then stopped again. I asked Brandt again back on 10/28 to talk with Ethan but I still have not seen any logs turned in.
