Delivery Details: Start Time _____ End Time _____ # of Men _____ Stair Carry: # of Flights: _____ Room: _____

Consignee Waiver (To be used only PRIOR to un-boxing/attempting delivery): Upon inspection of the delivery site and given the requirements of consignee, the delivery team has determined there is a chance of damage to the product and/or the residence and/or the product requires un-boxing (i.e. boxed item will not fit through door) prior to entry into home. Therefore, the delivery team does not recommend that delivery be attempted. Having been informed of this situation, the consignee, by signing this release, requests that the delivery be attempted and releases the delivery company of any and all damage to the product and/or the residence. Liability for possible damage to the product and/or the residence is now the responsibility of the consignee.
