Subject: RE: Xerox move

Hi
No, we never heard from him and the movers are almost done here in the old office.. very disappointing service and communication with this move...we might be forced to move it ourselves if it is not picked up by noon.
Thanks

I hope you heard from Konstantin (driver) I called him when I got your message and sent him a text with your cell #. He assured me that when he got off the road he would call you.

Thank you,
